

This certificate of conformity is delivered by BE-CERT, the certification body mandated by the non-profit association vzw BENOR for the management of the **BENOR Conformity mark**.

This certificate, valid until

**31.01.2018**

attests that the cement

## **CEM II/B-S 42,5 n CE BENOR**

produced by the company

**Portland-Zementwerk Wotan H. Schneider KG**

**H. Schneider KG**

**D-54579 ÜXHEIM, Deutschland**

at its production plant located at

**Ahütte**

**U.I. Hänchen 1**

**D-55579 ÜXHEIM, Deutschland**

**n° BENOR: 18**

is regularly controlled in accordance with TRA 600 "Rules for the assignment of the BENOR mark to manufacturers of common and special cement".

The detailed description of the product characteristics is available through the manufacturer.

The manufacturer is authorized to use the BENOR mark for the aforementioned product. The BENOR label affixed to the packaging of the product Ex Works or to the delivery documents in case of bulk material attests to the presumption of conformity with the requirements of the technical provisions PTV 603 and the applicable Belgian standards of the NBN B12 series for the delivered product.

Brussels, 16/01/2017,

J. Wustenberg  
Director
